Dear Parents,

We are so excited to meet you and your family and welcome you to our facility. Our goal is to provide your family with top-notch childcare when you need it and first-rate fun for your child(ren). Whether you need to run a few errands, go to a doctor's appointment, have a business meeting, attend a class, or simply take time for yourself, we are here to meet your childcare needs. We have three pillars at From Time 2 Time: Clean…Safe…Play.

CLEAN

Maintaining an extremely clean facility is a vital component of our core beliefs concerning childcare. Children are required to wash their hands when entering and exiting the facility, and regularly throughout their stay. The daily toy-cleaning system is thorough and strictly enforced. From Time 2 Time's sanitation practices meet and surpass anything set forth by the state and the Red Cross.

SAFE

Monitoring the safety of the children at From Time 2 Time is paramount. From Time 2 Time's philosophy is rooted in preventative care and all necessary steps are taken to ensure the safety and security of the children under our supervision. Safety measures include an exterior security door, safe-toy policy, and the centers system of child activity streaming. Children are encouraged to play in appropriate areas according to their ages and development. From Time 2 Time's caregivers are professionally trained to be alert and proactive when caring for children. Staffs have university level training or a CDA certificate, certification in CPR/First Aid, Communicable Diseases and Child Abuse. All staff has had a thorough background check including fingerprints and a physical and TB skin test.

PLAY

A carefully structured free-play environment is an integral component of child development. While From Time 2 Time caregivers are trained to direct and encourage children to explore different activities, the children are given the freedom to choose how they spend their time. Activities at From Time 2 Time include: arts and crafts, board games, reading books, dress-up, video games, computer software, G-rated movies, as well as outdoor play weather permitting. Snacks and meals are also available.

Again, we welcome you to our extended family!

Sincerely,

Your friends at From Time 2 Time
